NEW SOUTH WALES**

ANNUAL REPORT YEAR ENDED 30 JUNE 2007

The Council of the Society is pleased to provide the following Annual Report.

PATRON

The Society is most grateful for the Vice-Regal patronage it is accorded by Her Excellency Professor Marie Bashir AC CVO Governor of New South Wales. Her continuing interest and support are greatly appreciated.

PRESIDENT

The Society is most grateful for the continuing interest and involvement of its President, The Honourable Sir Laurence Street AC KCMG QC

THE 2006 PRESENTATION OF AWARDS

The Society was honoured to have the awards presented by Her Excellency The Governor at Government House on Friday 27th October 2006. The warm hospitality extended by Her Excellency and Sir Nicholas Shehadie following the ceremony was greatly appreciated by the recipients and guests present.

The awards comprised 1 Silver Medal, 9 Bronze Medals, 7 Certificates of Merit, and 3 Letters of Commendation.

ANNUAL GENERAL MEETING

The Society's 129th Annual General Meeting was conducted on Monday 11th December 2006, when Councillors and Office Bearers were elected for the ensuing twelve months.

FINANCE

The Society's Balance Sheet as at 30 June 2007 and its Income and Expenditure Account for the year then ended have been audited and appear at the back of this publication.

DONORS

The financial position was only achieved through the generosity of those donors who are listed later herein. The New South Wales Government is a long time annual helper, whilst the NRMA and P & O Australia Limited provide significant support.

2006 – 2007 AWARDS

The awards described in this booklet comprise 4 Silver Medals, 39 Bronze Medals and 20 Certificates of Merit. In addition, the Society issued 5 Letters of Commendation. To all recipients, the Society conveys the thanks, admiration and congratulations of the people of New South Wales.

KINDRED SOCIETIES

A happy working relationship exists with the Royal Humane Society in London and Royal Humane Society of Australasia in Melbourne, to which bodies, together with other kindred organisations, the Society offers warm greetings.

APPRECIATION

The Society depends on the goodwill of many supporters. The New South Wales Fire Brigades provides the Society with an office and meeting room. The NSW Police, NSW Fire Brigades and Ambulance Service of NSW remain major contributors to investigating and reporting upon cases presented for consideration by the Council. The quality of the Society's Bravery Certificates is the work of the NSW Maritime Authority, which has generously prepared them for many years. In addition we have a number of generous donors, mentioned in this report, and are most grateful for their financial assistance.

The ongoing business is in the hands of the Honorary Secretary Roland Millbank who is very ably supported by Assistant Secretary Nina Smith. I acknowledge the professional contributions provided by the Honorary Treasurer, the Honorary Solicitor and the Honorary Publicity Officer and our new Honorary Auditor Mr David McGrane.

Heroism is, for most of us, a difficult concept. We are dealing with ordinary persons who, with some disregard for their own life, come to the aid of others. They have not taken these steps for recognition or reward, but out of their concern for fellow human beings. It is a humbling experience for those of us contemplating these acts. During the past year the Council, in its deliberations has considered two dangerous situation cases. One extraordinary case has now been adopted by the Emergency Services as a realistic scenario for training their personnel, the second resulted in the rescuer being awarded the Stanhope Gold Medal, the highest British Commonwealth award for civilian bravery. While it is true that not all acts of heroism come to the attention of the Royal Humane Society, we do attempt to seek out as many brave acts as possible.

I wish to thank our Patron, the President, my fellow Councillors and those who assist in supporting roles for the dedication they bring to fulfilling the Society's objectives.

**Major General the Hon Justice
C.R. HOEBEN, AM RFD
Chairman**

BACKGROUND TO THE SOCIETY

The Society was established as a result of the loss of the 351- ton paddle steamer s.s. Yarra and its 17 man crew in a south-east gale on 15th July, 1877, while attempting to re - enter Newcastle Harbour.

Four days later, a public meeting of citizens, under the chairmanship of the Reverend Dr Lang, at the Royal Exchange, Pitt Street, Sydney, decided to form the Society "for the relief of the widows, orphans and others dependent upon men lost in the marine service of our coast, or elsewhere, such relief to be distributed at the discretion of the committee".

The Society was instituted on 25th July, 1877, and its first meeting, under the presidency of Mr F. H. Dangar, was held on Friday, 27th July, 1877. Subscriptions had by then exceeded two thousand pounds.

The Society was formed as the National Shipwreck Relief Society of New South Wales. In 1902, His Majesty, King Edward VII gave permission for the Society to be known as the Royal Shipwreck Relief and Humane Society of New South Wales.

In 1968, Her Majesty The Queen approved the change of name to the Royal Humane Society of New South Wales in common with all British Commonwealth Nations.

OBJECTIVES

The original objectives of the Society were:-

1. to afford relief to widows, orphans and other dependents of seamen who lost their lives or were injured in shipwreck;
2. to assist crews of vessels wrecked in New South Wales waters; and
3. to grant medals or rewards for bravery in saving human life.

The necessity for the first and second objectives ceased when it was considered they were adequately covered by legal provisions. Pensions ceased to be paid in the late 1960s. In recent years, however, the Society has noted cases in which the utilisation of provisions enabling financial grants in selected circumstances could have been a desirable course. A resumption of such a capability has been undertaken.

The Society, of course, has maintained its third objective which was widened to include acts of bravery in attempting to save human life.

HOW THE SOCIETY FUNCTIONS

Today, the management of the affairs of the Society is vested in a Council consisting of a Patron, a President, a Chairman, and Vice-Chairman (if appointed), an Honorary Treasurer and Councillors. The Society is assisted by a number of other honorary appointees.

Cases of reported bravery are investigated by the New South Wales Police, and copies of the reports are distributed to Officers and Councillors of the Society in advance of all meetings, to enable consideration to be given to them before discussion. Voting at meetings determines the granting of awards.

The Society is supported by a subsidy from the New South Wales Government, supplemented by donations from organisations, corporations and citizens.

THE SOCIETY'S AWARDS

The Society's awards are the Galleghan Award, Silver Medal, Bronze Medal, Certificate of Merit, Letter of Commendation and the Sir Neville Pixley Book Award.

With the permission of the New South Wales Government, the obverse of the medals includes part of the Arms of the State of New South Wales, surrounded by the name of the Society. The reverse of the medal exhibits a Civic Wreath, which was the Roman reward for saving life, with the words, "Awarded to.....for Bravery". The name of each medal winner and the date of the act of bravery is engraved on the reverse of the medal. The medal is also numbered on its edge to indicate the consecutive number of the award by the Society.

The ribbon for all medals is light blue with a strip of dark blue on either side.

The Certificate of Merit is a scroll bearing the Arms of the State of New South Wales. It is inscribed with the recipient's name and signed by the President, Chairman and Secretary.

WEARING OF MEDALS AND RIBBONS

Recipients of Medals are entitled to wear the medal or ribbon (as appropriate) on the right breast. When only the ribbon is worn, a silver or bronze star emblem is worn centrally on the ribbon to denote the class of medal awarded to the wearer. Such wearing is officially authorized for the members of all uniformed services.

The Society does not provide duplicate medals. Lost or stolen medals may be replaced only to the recipient after an appropriate investigation.

Miniature medals are available for purchase from the Society.

STANHOPE GOLD MEDAL

The Stanhope Gold Medal, an award of the Royal Humane Society, was instituted in 1873 as the English Society's highest award for bravery each year.

In 1962, all kindred Commonwealth Societies were invited to nominate each year their best cases for adjudication for this award.

Since that time, nominations by the Royal Humane Society of New South Wales have been successful on nine occasions:

1963	Frederick John KNIGHT
1965	Lieutenant Barry J. CAMPBELL RAA
1980	Bruce Wallace McPHERSON
1982	Dulcie KALMS
1992	Rodney Stephen PETERS
1994	Aaron John LEDDEN
1996	Senior Constable Ian Maurice BOUGHTON
2001	Dr Richard MORRIS
	Ambulance Paramedic Christopher WILKINSON
	Ambulance Paramedic Paul FEATHERSTONE
2006	Oguz (Alex) TASKUN

THE GALLEGHAN AWARD

The Galleghan Award was instituted in 1996, and recognises what the Society considers to have been the most outstanding act of bravery in the year.

It is designated by a bar reading "Galleghan Award" affixed to the ribbon of the medal award.

The award is named after Brigadier Sir Frederick Galleghan DSO OBE ISO ED who was the Society's Secretary from 1958 until his death in 1971.

Sir Frederick was twice wounded in the Great War, and was awarded the Distinguished Service Order in the Second World War for his leadership and gallantry when commanding the 2/30th Battalion at the battle of Gemas in Malaya.

Over a period of 14 hours on 27 and 28 December 1998 the crew of the trawler “Moira Elizabeth” (25 metre steel hull trawler) navigated mountainous seas, with swells of 8-9 metres and gale force winds to locate the yacht “Team Jaguar”.

Brilliant seamanship enabled the “Moira Elizabeth” to chase and eventually locate the yacht “Team Jaguar” in horrific weather conditions.

In the end the “Moira Elizabeth” took “Team Jaguar” in tow and returned to port (Eden) with all hands safe.

5.6.7. BRONZE MEDALS

After being battered by giant waves and swells for 8 hours the “Josephine Jean” reached the yacht “Mintinta” and proceeded to tow.

Following the loss of the towline, the members of the crew on the “Mintinta” were transferred by life raft, one by one, to the trawler.

They located an unconscious woman being assisted by Mr Finucane. Senior Constables Brown and Muddle then removed the woman to safety.

Re-entering the building, despite dense smoke, Senior Constables Brown and Muddle were able to find an unaccounted for child whom they assisted to safety.

Suffering disorientation, vomiting and nausea and breathing difficulties Senior Constables Brown and Muddle were unable to continue. Constable Fowler then carried out the last search of the building.

12.13.14.15. CERTIFICATES OF MERIT

16.17.18. BRONZE MEDALS

Inspector Paul James Devaney, NSW Police
Keith Walter Sewell, Allambie Heights
Robert Arthur Smith, Harrington

for their actions at the scene of a fatal motor vehicle accident at Beacon Hill.

At about 12.35 am on 6 March 2003 while driving at Beacon Hill, Mr Sewell and Mr Smith discovered a crashed utility on fire with two men trapped inside. While Mr Sewell attempted to extract the driver, Mr Smith attempted to assist the passenger from the vehicle. Despite strenuous efforts by Mr Sewell and Mr Smith neither the driver, trapped by his legs, nor the passenger, trapped by the vehicle door could be released from the burning vehicle.

When Inspector Devaney arrived at the scene with the fire raging the driver was deceased and the passenger was still trapped, his legs crushed by the firewall of the vehicle. After attempts to douse the fire and with risk of an explosion, Inspector Devaney stayed with the passenger until he was released by Ambulance and Rescue Services. The passenger died after arrival in hospital.

The horrific nature of this accident and the complications involved in the rescue of the vehicle's occupants has been incorporated into a practical exercise scenario for training emergency services personnel.

19.20. BRONZE MEDALS

Martin Langham, Enmore

21.22. CERTIFICATES OF MERIT

Evan Keith Winstanley, Everton Park, Queensland

Flames engulfed the only entrance to the flat. Assisted by a neighbour, Mr McKerlie, who knew the layout of the building, the three men entered the building where Mr McKerlie directed the officers to force an entry to the flat through the fabric of the building.

Despite the efforts of the officers in finally gaining entry to the flat the fierceness of the fire made rescue impossible. Later, Fire Brigade personnel wearing breathing apparatus, using the entrance forced by Senior Constables Sikkema and McRae entered the flat where they found the occupant deceased.

26.27. BRONZE MEDALS

Senior Constable Roland Samuel Curll, NSW Police

Constable Robert John McMahon, NSW Police

40. 41.

Constable Daniel Scott Morgan, NSW Police

Constable Rodney John Lloyd, NSW Police

Constable Kyle William Rodger, NSW Police

Mr David Jamieson, Kingswood

for their actions at the scene of a house fire at Kingswood.

On 26 July 2006 at about 8.15 am whilst preparing his two children for school Mr Jamieson became aware of fire in the upstairs area of the house where his partner and 3 year old son were sleeping. After removing the older children from the house Mr Jamieson attempted to go upstairs, he was able to alert his partner but unable to reach the child because of the fire.

Responding to an emergency call Constables McDougall and Rodger attended the fire where they entered the building and attempted to climb the stairs. Confronted by voluminous smoke and intense heat they were forced to exit the building.

Constable Rodger accessed a garden hose and continuously sprayed both men and the building throughout the rescue.

Constables Lloyd and Morgan also responded to the emergency call and attempted to gain entry through the rear door but were unable to reach upstairs due to the smoke and heat. They remained in the building using buckets and containers of

water in an effort to extinguish some of the flames. They were forced to exit the building when the roof started to collapse.

Mr Jamieson and his son were transported to hospital and treated for burns and smoke inhalation.

As Duty Officer in charge of patrolled beaches on the Central Coast, Mr Harvey was at Spoon Bay Beach at about 2.15 pm on 29 January 2006 when he became aware of two people caught in a rip. After reaching the two men in very heavy seas on a commandeered surf board Mr Harvey managed to get one man onto the board, but pounded by heavy seas the man was swept off and submerged.

Mr Harvey made the difficult decision to rescue the second man who was semi-conscious and struggling to stay afloat. After getting the man on the surf board they eventually reached calmer water where Mr Harvey supported the man while the inflatable rescue boat (IRB) operated by Mr Anderson and Mr Adams was searching for the submerged man. A second IRB operated by Mr Maguire and another man arrived and the rescued man and Mr Harvey were finally taken ashore.

Mr Sanders was also at Spoon Bay with his family that afternoon when he became aware of two men and several children in difficulties in the surf. James Sakker, Anna Bay

for their actions in the rescue of two men from the sea at Nambucca Heads.

At about 11.40 am on 15 May 2004 two men without lifejackets were thrown into the sea when their aluminium runabout breached in heavy seas at Shelley Beach, Nambucca Heads. Messrs Mitcham, Mills and Sakker immediately entered the water to retrieve one of the men who was unconscious.

Mr Mitcham and Mr Sakker brought one man, who appeared to be deceased, ashore. Mr Mills swam to the second man and towed him to the beach where, with assistance, the man was placed in the recovery position. He then went to assist the first victim further up the beach. Unfortunately on arrival ambulance officers were unable to assist the second victim who had suffered cardiac arrest.

Kevin Norwood, Loretta Harkess and Stephen Boyd received Letters of Commendation for their actions during this incident.

58. BRONZE MEDAL

Arthur John Griffiths, Wollombi

for the rescue of two men from a vehicle fire at Wollombi.

On hearing a collision near his property at Wollombi on 17 September 2004, Mr Griffiths drove two kilometres where he found an overturned motor vehicle on fire in a paddock. Entering the vehicle through a broken window Mr Griffiths was able to pull the unconscious passenger to safety. He then re-entered the vehicle through the broken window and eventually was able to drag the driver from the wreck. Other people who had arrived on the scene assisted in removing both men to safety before the vehicle exploded.

for their actions in the rescue of a woman from the surf at Red Rock.

At about 12.15 pm on 11 September 2004 at Red Rock, north of Coffs Harbour a young woman got caught in a strong current and swept out to sea. Mr Harris immediately went to her assistance and was also swept out to sea towards the nearby headland. At the time weather conditions were very poor with a 1.5 metre swell. Mr Harris made several attempts to get the woman onto the rocks to safety. During this time Mr Harris injured himself on the rocks and the woman lapsed into unconsciousness. Aware of Mr Harris's predicament Mr Bates with a surf board and Mr Hansen with a floatation device entered the water and between them brought the unconscious woman back towards the shore. Unfortunately, despite CPR by ambulance officers the young woman did not survive. Constable Sean Patrick Benefield and Anthony Marinus Lucas received Letters of Commendation for their actions during this incident.

62.63. CERTIFICATES OF MERIT

Senior Constable Stephen William Case, NSW Police

The female passenger of the car had freed herself but the unconscious driver remained in the vehicle. After unsuccessfully trying to extinguish the flames with a fire extinguisher the police officers managed to remove the unconscious driver from the wreck to safety before the vehicle exploded.

During the year, the following awards were also made:

Significant accounting policies

Accounting policies are selected and applied in a manner which ensures that the resultant financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions and other events is reported. The accounting policies used are consistent with those adopted in the previous year.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report.

INDEPENDENT AUDIT REPORT

To the Royal Humane Society of New South Wales:

Scope

The financial report and Councillors' responsibility

The financial report comprises the balance sheet as at 30 June 2007, the income statement, statement of cash flows, and accompanying notes to the financial statements, and the Councillors' declaration for the year ended 30 June 2007 as set out herein.

The Councillors of the Royal Humane Society are responsible for the preparation and true and fair presentation of the financial report in accordance with the Society's rules. This includes responsibility for the maintenance of adequate accounting records and internal controls designed to prevent and detect fraud and error, for the accounting policies and for the accounting estimates within the financial report.

Audit approach

We conducted an independent audit in order to express an opinion to the members of the Royal Humane Society of New South Wales. Our audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance that the financial report is free of material misstatement. The nature of an audit is influenced by such factors as the use of professional judgement, selective testing, and the inherent limitations of internal control and the availability of audit evidence which may be persuasive rather than conclusive.

Accordingly an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether, in all material respects, the financial report presents fairly, in accordance with Australian Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the Royal Humane Society's financial position, and of its performance as represented by the results of its operations and cash flows.

We formed our audit opinion on the basis of these procedures which included:

- Examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- Assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While, when determining the nature and extent of our procedures, we considered the effectiveness of the Councillor's internal controls over financial reporting, our audit was not designed to provide assurance in relation to internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Qualification

Donations (including bequests) are a significant source of revenue for the Society. The Society has determined that it is impracticable to establish control over those donations prior to entry into its financial records. Accordingly, as the evidence available to us regarding revenue from this source was limited, our audit procedures with respect to such revenue activities had to be restricted to the amounts

recorded in the financial records. We therefore are unable to express an opinion whether proceeds of donations the Society obtained are complete.

Qualified audit opinion

In our opinion, except for the effects on the financial report of such adjustments, if any, as might have been required had the limitation on our audit procedures referred to in the qualification paragraph not existed,

1. the financial report of the Royal Humane Society of New South Wales:
 - (a) gives a true and fair view of the Society's financial position as at 30 June 2007 and of its performance for the year ended on that date; and
 - (b) complies with Australian Accounting Standards and other mandatory financial reporting requirements in Australia;
2. the financial report gives a true and fair view of the financial results of fundraising appeals for the financial year;
3. the financial report and associated records have been properly kept during the financial year in accordance with the provisions of the Charitable Fundraising Act 1991 and the regulations thereto; and
4. at the date of this report there are reasonable grounds to believe that the Royal Humane Society of New South Wales will be able to pay its debts as and when they become due and payable.
